

**HAPPY**  
*Birthday*

My Love

“Happy Birthday to the person who holds my heart in their hands. From the moment we met, you’ve filled my life with joy, warmth, and a love deeper than I ever thought possible. On your birthday, I want to celebrate you—not just for the incredible person you are, but for the way you make my world complete. You’ve been my rock, my best friend, my partner, and my greatest love. As you turn another year older, I hope this year brings you as much love and happiness as you have brought to me. Let’s continue to dream, laugh, and build our future together. I love you more than words could ever express, today and always.”
